Version: v1.0 – 2025-10-15

I, _____, a living [man / woman],
of the City of _____, in the Province / State of _____,
in the Country of _____,
do solemnly declare before YHWH, the God of Israel:

1. BODILY AUTONOMY

I reserve the right to free and informed consent for all medical or technological interventions. I do not consent to the administration of genetic or biochemical substances by injection, aerosol, or environmental exposure that I believe violate my faith or conscience.
(1 Corinthians 6:19–20; Deuteronomy 30:19)

2. CONSCIENTIOUS OBJECTION TO WARFARE

I hold a sincere religious and moral belief that I must not participate in wars that contradict the teachings of peace and justice in Scripture. I will not willingly take up arms in any conflict that violates my conscience or my faith in YHWH through His Son, Yeshua the Messiah. This includes any present or future conflict involving nations or territories in the Middle East or elsewhere.
(Matthew 5:9; Romans 12:18)

3. PARENTAL CONSCIENCE

As parents or guardians, we affirm our right and duty to raise our children according to our faith and conscience. We oppose any attempt to compel them into military service or medical procedures that violate these convictions. (Deuteronomy 6:6–7)

4. LEGAL FOUNDATIONS

- Canadian Charter of Rights and Freedoms: Sections 2(a), 2(b), and 7
- International Covenant on Civil and Political Rights: Article 7
- Common Law: Informed consent is required for all medical contact.

5. DECLARATION

I make this declaration conscientiously, believing it to be true and consistent with the laws of Canada and the Word of God.
