

## DECLARATION OF CONSCIENCE REGARDING BILLS C-2, C-5 & C-8

Version: v1.0 – 2025-10-15

I, \_\_\_\_\_, a living [man / woman],  
of the City of \_\_\_\_\_, in the Province / State of  
\_\_\_\_\_, in the Country of \_\_\_\_\_,  
do solemnly declare before YHWH, the God of Israel:

### 1. COVENANT OF BODILY AND DIGITAL AUTONOMY

My body, mind, soul, and communication are entrusted to me by YHWH.

They are not the property of any state, corporation, or legislation.

(1 Corinthians 6:19–20)

I record my conscientious belief that any law permitting compulsory  
surveillance, forced disclosure, or biometric control violates my  
conscience and faith in YHWH.

### 2. DIGITAL AND TECHNOLOGICAL FREEDOM

I object, on grounds of conscience, to any system of biometric  
enrolment, digital identification, telecom mandate, or remote control  
over my personal devices or data that compels participation or  
monitoring without my free and informed consent.

(Deuteronomy 30:19; Revelation 13:16–17)

### 3. CONCERNS REGARDING BILLS C-2, C-5 & C-8

It is my considered belief that provisions within these bills may:

- expand surveillance powers without judicial warrant;
- allow federal authority to bypass environmental or provincial protections;
- compel compliance over telecom or data providers without proper accountability.

I therefore record my conscientious and political objection to any  
application of these statutes that would contravene rights guaranteed  
by the Canadian Charter of Rights and Freedoms (Sections 2 and 7).

#### 4. PUBLIC PARTICIPATION AND CONSULTATION

I affirm that free participation, consultation, and environmental stewardship are essential to democracy and public trust.

(Proverbs 29:4)

I call upon Parliament and all officials to uphold these principles for all citizens, including Indigenous communities.

#### 5. ACCOUNTABILITY

I urge all public servants and institutions to act with transparency, justice, and respect for human dignity, knowing that all authority is accountable before YHWH and before the law.

#### 6. DECLARATION

I make this declaration conscientiously, believing it to be true and consistent with the Word of God and the laws of Canada.
